tournament will be Pool Play on Saturday or Sunday. We will have two Waves on Saturday. AM wave will start at 8:00 am and the PM wave starting approximately 3:00 pm. We will have one Wave on Sunday. PM wave will start at 12:00pm.

Warmup before the first match will be 5-4-4 and every match after will be 2-4-4.

We anticipate releasing the tournament schedule on Tuesdays, the week of the Tournament. The schedule will be hosted on Sportwrench. Everyone should continue to refer to this schedule for any changes and up to minute scoring and results. As with all sporting events in this environment, there is always a chance of a late drop. This could change your schedule and/or the format of the tournament, but that is certainly not our plan.

As an independently sanctioned event, JJVA has created two divisions. The Modified (MOD) division and the USAV division.

In the MOD division, JJVA has modified the rules for this event to promote rallies.

- Athletes 14 and under are permitted to attempt their first serve from mid-court and will be told to move a step back after each successful serve.
- Athletes 15 and older are permitted to step-in for their first serve and will also be told to move a step back after each successful serve.
- Foot faults will NOT be called, even if you are behind the service line.
- Liberos may be used, but not mandatory.
- Rotation warnings will be issued, and a replay may be called if the scoring team was out of rotation after being warned.
- No points will be awarded to opposing team for out of rotation. The intent of this is NOT to take advantage of the system but to promote rallies for both teams.

In the USAV division we will follow USAV rules and guidelines. There will be leniency to these rules and is up to Official discretion. This division is to prepare teams for the next step in advancement of competitive volleyball. Please keep in mind that we try to put teams with similar skill levels together in the same pool, but we also try to reduce same clubs playing each other.

- Athletes 12 & Under step-in rules will be used.
- All other age groups there will be no Step-in for serving.
- A warning will be issued for out of rotation, after one warning the second occurrence of out of rotation a point will be issued to the opposing team.
