Spectator fees are \$15 for a day pass, \$25 for a Weekend pass. Children 5 and under are free.

Format/Warmup:

Our goal is to provide the most competitive matches, since it is so early into the 2024 Season we used a combination of rankings, standings, and head-to-head play so far this year if possible. We utilized your ending 2023 AAU team ranking, any available rankings this year, Record so far this season, and head-to-head record this season to rank each team within the division. We also had to move some rankings with the divisions to minimize same club play and rematches.

Throughout the tournament the Tournament Director and Head Referee will be looking to maximize court space to keep play on time as much as possible.

All Clubs must bring their own volleyballs for warmup. Each Club is responsible for always keeping their equipment with them.

Warmup before the first match will be 5-4-4 and every match after will be 2-4-4.

We anticipate releasing the tournament schedule on Tuesday, May 14, 2024. The schedule will be hosted on Sportwrench. Everyone should continue to refer to this schedule for any changes and up to minute scoring and results. As with all sporting events in this environment, there is always a chance of a late drop. This could change your schedule and/or the format of the tournament, but that is certainly not our plan.

Tie Breakers:

There will NOT be any tie-breaking games played.

In the case of a tie, the teams will be ranked by head-to-head results in case of a 2-way tie in matches or, in the case of 3 or more teams tied in matches: set percentage. If two teams are still tied on set percentage, the tie will be broken by the head-to-head result of their match OR if three or more teams are still tied the tie will be broken by point percentage. Note that the 3 or more teams tied procedure is slightly different than previous years based on the updated procedures used at the USAV Junior National Qualifiers and National Championship events.

Awards:

Awards will be rewarded to first, second, and third place finishers in the Championship bracket in each Division. The winner of the next tier bracket in each Division will also be rewarded an award. Award information will be given in the Performance Training Facility upon the completion of the division championship match. An award slip will be given to the Coach of the 1st, 2nd and 3rd place finishers to gain access to the Performance Training Facility. Only Teams with the award slip will receive medals. Coaches, Athletes, and Fans of the qualifying Team are allowed in the Performance Training Center during the Medal Ceremony.

Officials/Crew:

A first official (R1) will be provided for each match. Each team will be responsible for providing down official (R2), two-line judges, one official scorekeeper, one libero tracker, and one visual scorekeeper per court. A Coach or an Adult on the Team Roster must perform a duty at the table. We prefer the rostered adult perform the duty of the R2 official. Please pay special attention to your pool/bracket to ensure an officiating assignment is not missed. *Teams missing an officiating assignment will be fined up to \$150. Teams late to an officiating assignment will be penalized one point per minute in their following match.*

Schedules are subject to change. Please continue to check sportwrench for the most up to date schedule. If you have a question about your schedule, please come to the Tournament Office before leaving the facility.

If a team does not show up for a scheduled match, the team will be penalized up to \$150 per match. Missing or forfeiting a match affects not only your team but your opponent's ability to compete in the number of matches that the tournament guarantees.

Protests:

If a protest is to be filed, it must be done within 60 seconds of the time of the incident.

The first referee is obligated to acknowledge and record all protests. **ONLY THE FLOOR CAPTAIN OR COACH MAY FILE PROTESTS.**

All protests will be handled by the Protest Committee and their decision is binding. A Protest Committee will ideally consist of any two of the following:

- Head Official
- Tournament Director
- Assistant Tournament Director
- Site Director
- Highest rated available official or a non-involved Club Director

All efforts will be made to ensure two of the above members are able to appear at a protest, but protests can be completed with just the Tournament Director, Assistant Tournament Director, Site Director, or Head Official, if needed.
