Format/Warmup:

Our goal is to provide the most competitive matches, since it is so early into the 2025 Season we utilized your ending 2024 USAV team ranking, any available rankings this year, results so far this season, and head to head record this season to rank each team within the division. We also had to move some rankings with the divisions to minimize same club play and rematches.

The format of the tournament will be Pool Play Round 1 (Saturday), with one division having a crossover right after pool play finishes. There will be some 3 team pools that will be playing 3 sets to 25, make sure you read your divisions information. Sunday will lead into a bracket based off of results from Saturday. We will be trying to start most games Sunday in the morning with a staggered start.

All Clubs must bring their own volleyballs for warmup. Each Club is responsible for always keeping their equipment with them. We will provide a game ball for each court.

and results. As with all sporting events in this environment, there is always a chance of a late drop. This could change your schedule and/or the format of the tournament, but that is certainly not our plan.

Tie Breakers:

There will NOT be any tie-breaking games played.

In the case of a tie, the teams will be ranked by head-to-head results in case of a 2-way tie in matches or, in the case of 3 or more teams tied in matches: set percentage. If two teams are still tied on set percentage, the tie will be broken by the head-to-head result of their match OR if three or more teams are still tied the tie will be broken by point percentage. Note that the 3 or more teams tied procedure is slightly different than previous years based on the updated procedures used at the USAV Junior National Qualifiers and National Championship events.

Awards:

Awards will be rewarded to first, second, and third place finishers in the Gold bracket in each Division. The winner of the Silver bracket in each Division will also be rewarded an award. Award information will be given in the Performance Training Facility upon the completion of the division championship match. An award slip will be given to the Coach of the 1st, 2nd and 3rd place finishers to gain access to the Performance Training Facility. Along with the 1st place in the silver bracket. Only Teams with the award slip will receive medals. Coaches, Athletes, and Fans of the qualifying Team are allowed in the Performance Training Center during the Medal Ceremony.

Officials/Crew:

A first official (R1) will be provided for each match. Each team will be responsible for providing down official (R2), two-line judges, one official scorekeeper, one libero tracker, and one visual scorekeeper per court. A Coach or an Adult on the Team Roster must perform a duty at the table. We prefer the rostered adult perform the duty of the R2 official. Please pay special attention to your pool/bracket to ensure an officiating assignment is not missed. *Teams missing an officiating assignment will be fined up to \$150. Teams late to an officiating assignment will be penalized one point per minute in their following match.*

Only Coaches can approach the Tournament Office with questions and/or complaints about play, officiating, or schedule. No parents or athletes will be allowed to enter the tournament office or file complaints without a coach present.
